VILLA OLYMPIA June 2007

## We are Better Together

A corporate wide mission statement has been developed and Villa Olympia staff is proud to make it a reality. The acronym **We Care** has been instituted as an inspiration for all staff to provide exceptional service to our residents.

The following describes our goals to make this happen.

- **We are Better Together**-all staff will work collectively with fellow staff and residents to build resources and information.
- Each home built as though it were your own-We are proud of your home, your Clubhouse and your community!
- Care enough to treat customers as they want to be treated-Personalize service!
- Adopt an owners mentality-Maintain the Clubhouse to pristine condition as though it was our own.
- Respect that we are guests in our residents' homes & community-It is our pleasure to serve you!
- Empowered to do the right thing-Make sound decisions within the rules & guidelines as set forth by the Master Association.

WE CARE and will do our best to make every resident feel comfortable & enjoy what Olympia has to offer. WE CARE about your suggestions, concerns & goals.

Get to know us, let us show you!

## Hurricane Season 2007

The Atlantic Hurricane Season runs

June 1st until November 30th.

The most active time is roughly

August 15th until September 30th.

Preparation is the key!!

For every year, there is a pre-approved list of names for tropical storms & hurricanes. These lists have been generated by the National Hurricane Center since 1953. At first, the lists consisted of only female names; however, since 1979, the lists alternate between male and female. Hurricanes are named alphabetically from the list in chronological order. Thus the first tropical storm or hurricane of the year has a name that begins with "A". Tropical Storm Andrea showed up in the Atlantic May 9th!! No hurricanes are named beginning with the letter Q or U.

There are six lists that continue to rotate.

The lists only change where there is a hurricane that is so devastating the name is retired and another name replaces it.

### 2007 Names

Andrea	Karen
Barry	Lorenzo
Chantal	Melissa
Dean	Noel
Erin	Olga
Felix	Pablo
Gabrielle	Rebekah
Humberto	Sebastien
Ingrid	Tanya
Jerry	Van

## Access Card & Transponder Renewal

In an effort to better manage accessibility to the Community and Clubhouse, all residents will be required to renew their access cards and transponders. Starting July 1st, each Village will be assigned a period of time to complete this process. Proof of residency will be required to renew access cards. The number of transponders issued per household will be based on two criteria; vehicular space at the home and number of vehicles owned. Residents will be asked to present vehicle registration for each transponder issued. More detailed information will be provided on our website, [www.olympiapb.org](http://www.olympiapb.org), through direct mail and at the Clubhouse later this month. Staff will be on hand to offer personalized assistance and provide quick service. We look forward to updating resident information to better serve our community!
