

THE TORCH

VILLA OLYMPIA
SEPTEMBER 2007

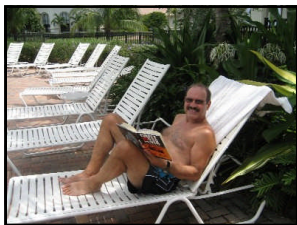

What did you do on your Summer Vacation?

Summer vacation is a time to relax, replenish and spend time with family and friends. Whether you traveled to far away places or stayed here in paradise, it is always good to call Olympia home.

Summer 2007, Villa Olympia was the center of activity. The pools kept residents and their guests cool and entertained! The Loggia hosted daily picnics and weekend parties.

Activities blossomed. New classes which included Teen Summer Shape-up and Creative Dance were a success. From the Great Room to the indoor basketball court residents found the Clubhouse their haven for a whole lot of fun!

Villa Olympia aspires to be the best there is in every respect. Stop by & let us show you!

PLEASE DO NOT FEED WILD ANIMALS!

- When animals learn that humans can provide a convenient and easy food source, they lose their natural fear of humans.
- Animals that become dependent on human food sources gather in abnormally large numbers and may show aggressive behavior.
- It is a second degree misdemeanor to feed alligators and can result in a \$500 fine and/or 6 months in jail. To report a nuisance alligator, please call 1-866-392-4285 or at www.myfwc.com/gators.
