Street of the Month

Worswick Court

Worswick Court was named for Mr. And Mrs. Albert E. Worswick, for whom Maurice Fatio designed a fabulous ocean to intracoastal estate in 1937. It was significant in that the home departed from the typical Mediterranean style that had been so prevalent in Palm Beach and instead introduced the Island Colonial style which became popular in Fatio's work in the late 1930s and early 1940s.
