Keeping Olympia Clean Ensuring a Cleaner Ocean

It's all related! The commitment Olympia residents make today is the first step to ensuring all can enjoy cleaner canals, lakes and oceans year round. There are serious consequences of the global marine debris and it starts in our backyards. Pick up! Thanks to the volunteers who made the commitment at the International Coastal Cleanup held on Saturday, September 20th.

Brittany and Harry Roberts, Monica and Pam Newman, Jim and Linda Biancarosa, Lee Goldman, Frank Alba and The Kohlbeck Family.

Trick-or-Treat for UNICEF

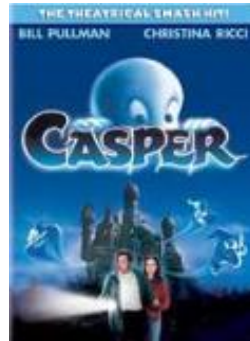

UNICEF was established on December 11, 1946 by the United Nations to meet the emergency needs of children in post-war Europe and China. In 1950, kids in Philadelphia created **Trick or Treat for UNICEF**. They collected \$17 in decorated milk cartons on Halloween. Stop by the Clubhouse to pick up a UNICEF

Trick-or-Treat Box anytime after October 20th. Return the box to the Clubhouse after trick-or-treating and collecting donations to UNICEF. Every year, millions of children are dying of preventative causes. With your help, we have the power to save them.

PROJECT LIFESAVER OF PALM BEACH COUNTY

By forming partnerships with local law Enforcement and public safety organizations, Palm Beach Project Lifesaver deploys specially trained teams with the most reliable technology available to quickly locate and return wandering adults and children to their families and caregivers. Project Lifesaver relies on proven radio technology and a specially trained search and rescue team. Clients that are enrolled in the Project Lifesaver wear a personalized wristband that emits a tracking signal. When caregivers notify that the person is missing, a search and rescue team responds to the wanderer's area and starts searching with the mobile locator tracking system. Search times have been reduced from hours and days to minutes.

Please contact Michelle Damone at (561) 753-6053 or info@pbcprojectlifesaver.com to add your loved one to the waiting list or for more information about Palm Beach County Project Lifesaver.
